Promote Your Participation at FETC

We are relying on you to help educate others in your network about the value of attending FETC. As a speaker, we request that you spread the word about your presentation. You can do this, and promote any other conference features of your liking, in a combination of ways. Additionally, we have emailed you a Promo Code to use in your efforts that provides a substantial discount to your network. If you're unsure of your Promo Code or need any other assistance, please email FETC@lrp.com. Here are some easy ways to do your part:

- Use Feathr, our FREE Co-Promotional Program
 - A customized webpage will promote your participation in the conference and invite your friends and colleagues to attend the 2018 event at a discounted rate — compliments of you. The webpage will feature your photo and session information, as well as details on how to get the discounted rate. Simply share your custom webpage via email and social media. Contact FETC@lrp.com to get started.
