## ABOUT THE FUTURE OF EDUCATION TECHNOLOGY® CONFERENCE (FETC®)

The Future of Education Technology® Conference (FETC®) annually attracts thousands of education and technology leaders for an intensive, highly collaborative exploration of new technologies, best practices and pressing issues. With basic to advanced sessions tailored to the needs of each role in the digital transformation, FETC is known as one of the nation's premier K-12 education technology events. FETC provides school and district administrators, classroom teachers, IT professionals, special education directors, curriculum and media specialists, coaches and other educators with roles or interest in ed tech, the opportunity to explore the most effective integration of technology across the curriculum. FETC offers a balanced blend of administrative, instructional, and technical content through targeted sessions, intensive workshops, hands-on demonstrations of the newest products, and more. Visit [www.FETC.org](http://www.FETC.org) for more details.
